

Dear Panhandle School Families,

Hello! Welcome back to another “normal” school year. At least that is what we all are hoping for the upcoming 2021 – 2022 school year. I hope you are all enjoying your summer break and are recharged and ready to start a new school year. Each year brings positive change. This includes a few additions to our staff. We are delighted to welcome Christina Lipe and Erica Watts. I want to extend a big thank you to Mr. Hopper and the School Board for their continued faith in me as the principal here at Raymond Campus.

Since joining the Panhandle family, we have gone through a lot of changes and even greater challenges. Through those changes and challenges we have continued to grow and advance our district’s goals. I am very proud of our students and educators as they have adapted and excelled no matter what has crossed their paths. To our parents and community, I thank you for your unwavering support. As a community of parents and friends to our district, there is little doubt that you were an important part of our success during this past school year. I consider this job a blessing due to students, parents, and staff.

Once again, I am so thankful and blessed to have this opportunity. I look forward to getting back to normal and tackling new changes and challenges that will no doubt come our way. Be confident that, as we have done in the past, will continue to grow and excel. Please stop by and get acquainted with, faculty, staff, and me. Student Registration is August 3 from 3 p.m. to 7 p.m. We look forward to see you!

Best Regards,

Ken Schuster
